

## Guidance Team Self Study

### Year 7 of the GTSS

#### Program Goals

Oklahoma technology center student services complete a self-evaluation through the guidance team self-study. Looking at guidance team self-studies statewide results indicated these specific areas were strengths of the student services programs.

#### Responsive Services 1

Counseling students through a variety of situations, e.g., tardies, absences, behavior problems, study skills, decision-making, etc.

#### Guidance Services 4

Providing information to all students about licenses, credentials and/or college credit that can be earned in each career pathway.

#### System Support 5

Assisting and coordinating with administration on setting policies and procedures outlining appropriate standards and scope of guidance and counseling services in a technology center.

#### Individual Planning 1

Providing individuals with career assessment interpretation (OK Career Guide, Pre-ACT, etc.) to advise students on the appropriate program placements.

#### Guidance Services 3

Specific accommodations required for special needs students attending the technology center systematically communicating and coordinating with appropriate staff and instructors.

## POINTS OF INTEREST

ODCTE Career and Academic Connections staff read, reflected and provided feedback on each guidance team self-study about program goals.

### Goals for improvement for 2018-2019 included the following:

48% - Planned career development enhancements that includes ICAPs and career fairs.

13% - Planned strategies for improving attendance.

## THESE WERE THE MOST OFTEN IDENTIFIED GOALS TECHNOLOGY CENTERS ADDRESSED IN 2017-2018:

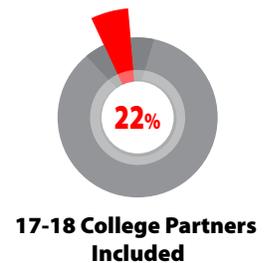

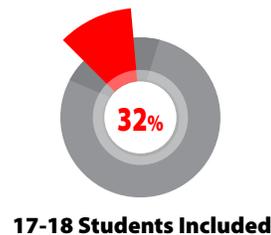

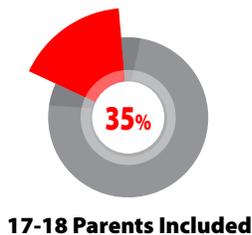

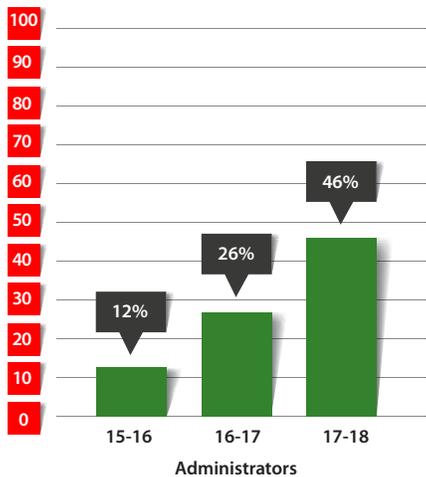

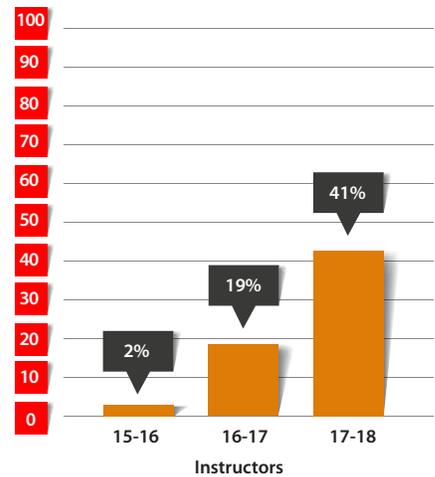

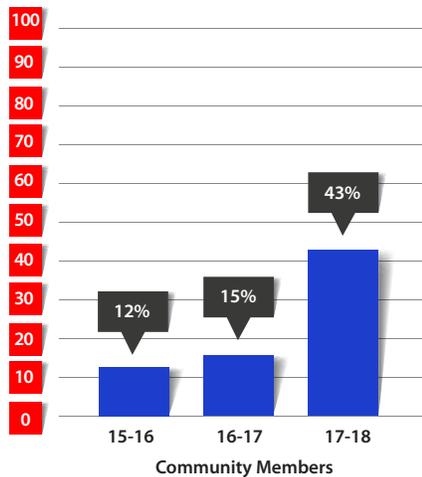

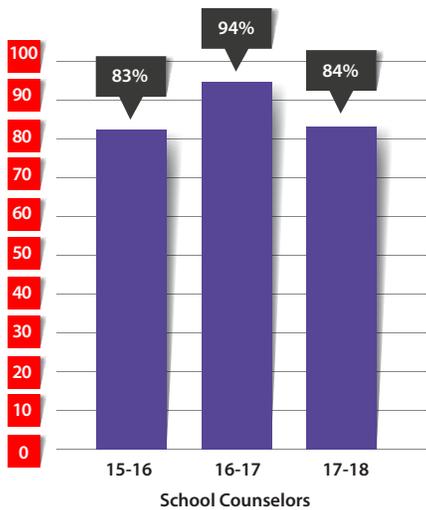

- (IP2) All students develop written ICAP.
- (RS-1) Counseling students through a variety of situations.
- (SS-3) Annual student and instructor needs assessment given.
- (GS-1) Providing career exploration and planning.
- (GS-4) Providing information to all students about license, credentials and college credit through career pathways.
- (PCC-3) Meet regularly with advisory committee.

### Signing Day

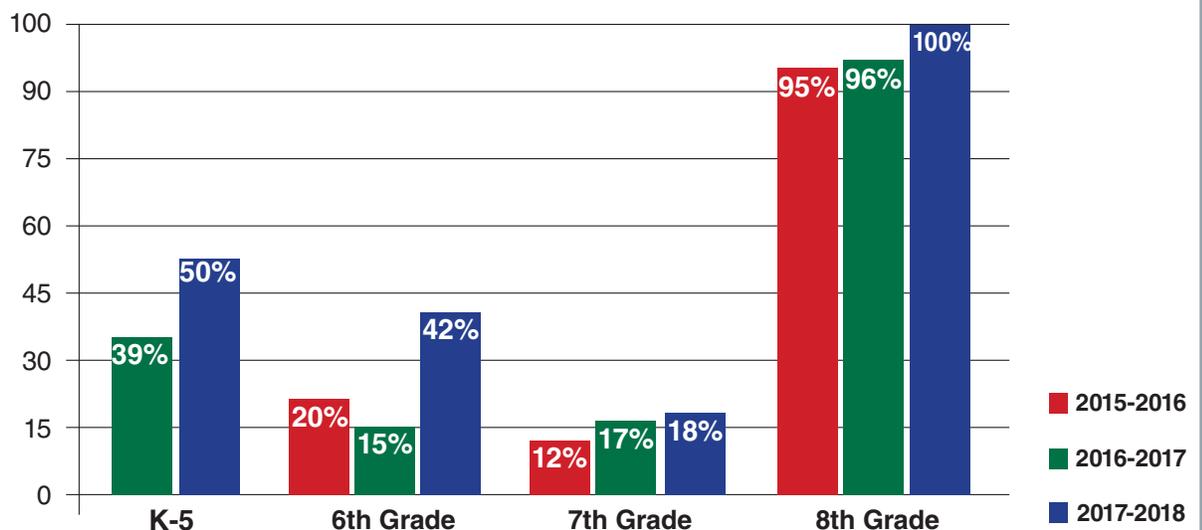

28% of the technology centers hold an annual Signing Day for students planning to attend the following year.
